Beauty A Retelling of the Story of Beauty and the Beast

The obvious place to start (for me, anyway) is with Robin McKinley's two attempts at telling the story, *Beauty and Rose Daughter*. *Beauty* is perhaps the less delicate of the two, being suited to a younger audience in terms of complexity, language, etc, but it still makes a good story.

Beauty A Retelling of Beauty and the Beast Literature

Robin McKinley's first published novel (1976), this is a retelling of "Beauty and the Beast" (in case you didn't catch it in the title). The plot follows the storyline of the original fairy tale fairly closely, with some exceptions: rather than being the more beautiful sister of two unpleasant siblings, Beauty is initially described as quite plain, and her sisters are both lovely and kind.
