Amazon com World of Art A eBook Henry M Sayre Kindle

A World of Art by Henry M. Sayre was great. It covers everything from visual literacy to basic concepts of art that was really helpful. The images are beautiful and the quick-reference guide was easy to refer to. It was worth the money even if I had not had to have it for an art class. The book is well written and will help me teach elementary students the basics of art and how to understand why art is so important in any media because it encompasses so many cultures.
