Memoir Wikipedia

While memoir has historically been defined as a subcategory of biography or autobiography since the late 20th century, the genre is differentiated in form, presenting a narrowed focus. A biography or autobiography tells the story "of a life", while a memoir often tells a story "from a life", such as touchstone events and turning points from the author's life.

3 Ways to Write a Memoir wikiHow

To write a memoir, choose a memorable period in your life, like a time when you were deeply troubled or ended a major relationship. Then, bring out old pictures or visit the place where the event happened to help you remember details. Make sure to listen to the emotions you feel when you're writing to make the memoir more interesting. You should also be honest, since people who read your memoir will value it more if it sounds genuine.
